

Resources

for parents whose children may have LD or ADD or ADHD

Helpful Internet sites:

<http://ldonline.org/>

A site with a wealth of information concerning learning disabilities (not slow learner, but children who learn differently than usual).

Particularly good for ADHD- <http://ldonline.org/adhdbasics>

<http://members.aol.com/addnews/addurls.html>

A site dedicated to finding links for help with ADD and ADHD

<http://www.allkindsofminds.org/index.aspx>

A site for parents and teachers with helps for teaching children with different kinds of learning problems. They also do an online newsletter.

<http://www.akidjustlikeme.com/>

A site with links for ADD, Dyslexia, Asperger, and Learning Disabilities

<http://www.pbs.org/wgbh/misunderstoodminds/>

A site that allows you to experience what children with different types of learning problems feel

<http://homepage.bushnell.net/~peanuts/learningd.html>

A site with a great list of resources for parents with special children

Parent Support Groups in the KL area:

FGA KL- Parent Support Group for parents with Children with Special Needs.

Meets the third Sunday of each month from 3pm- 5pm. Email: noahark@pd.jaring.my for more information.

The HeART Club Plus is a self-help group for parents and care-givers of special needs children. Meets the third Saturday of every month from 3pm- 5pm at: No. 2, Jalan Damansara Endah, Damansara Heights. For a map see: www.calvary.org.my

For more information call: Jeannie Low at: 03-7710-3360
